

Notes:

Staff in post this includes staff in post as at the first of the month

New starters Actual - : This includes all agreed start dates from the first of the month

New starters forecast: Based on average number of new recruits due to recruitment campaigns and number of student nurses likely to accept offers.

Leavers -: Figures based on terminations received into ESR and assuming that managers are submitting termination data in a timely fashion.

Leavers: With the exception of band 5 staff nurses and midwives, the leaver figure is based on the WTE leaving the organisation. For band 5 staff nurses/midwives, this also includes the WTE moving internally to take into account the impact of internal promotion.

Turnover forecast: Based on average for the staff group/band over the previous year.

Band 5 Nurses: Report includes data on band 5 nursing posts within the Trust with the exception of midwives. Reporting on external recruitment activity i.e. activity that improves vacancy bottom line given this is an entry level post.

Band 6 Nurses: Figures include all band 6 nurses i.e. charge nurses, sisters, community practitioners with the exclusion of midwives

Consultants: Includes substantive and fixed term appointments

Specialty Registrars (including Junior Specialist Doctors): Includes all approved doctors in training posts except foundation Y1 and Y2 doctors. It also includes GPSTs that are being trained at SWBH but employed by lead employer (St Helens)
