

CQUINs (Commissioning for Quality and Innovation)

A proportion of the Trust's income in 2018/19 was conditional on achieving quality improvement and innovation goals agreed between the Trust and any person or body they entered into a contract, agreement or arrangement with for the provision of relevant health services, through the Commissioning for Quality and Innovation payment framework.

We were contracted to deliver the CQUIN schemes in the table below during 2018/19.
