

Referral to Report Project - imaging

Our most recent performance is shown below. Focus remains on October delivery, with an initial emphasis on same day inpatient reporting.

	w/c 2nd Sept	w/c 9th Sept	w/c 16th Sept	Group Forecast w/c 16th Sept	Board Target for Oct
% Inpatient tests reported in less than 1 day	68%	69%	64%	77%	90%
% of urgent other tests reported in less than 5 days from request for test by all referrers (inclusive of GPs)	68%	71%	73%	70%	90%
% of all imaging work reported in less than 4 weeks from request for test	87%	87%	88%	90%	95%
