Meeting	Trust Board (Public)	Date	2 nd April 2020

1. Suggested discussion points *[two or three issues you consider the Trust Board should focus on]*

The Declaration of Interests (DoI) register enables all Trust Board Directors to be as open as possible and declare any actual or potential conflict of interest. It is the responsibility of Board members to ensure that they are not placed in a position which risks, or appears to risk, conflict between their private interests and their NHS duties. The current DoI register is provided at Appendix 1.

The DoI register will be made available for inspection, for example through a Freedom of Information request. The Trust publishes the declared interests of Trust Board Directors on its website for public scrutiny, and will appear in the Trust's Annual Report. The DoI will also be reviewed annually by the Audit and Risk Management Committee.
