

AUDIOLOGY: HEARING AID REPAIR SESSIONS

In order to maintain social distancing and keep our patients and staff safe from COVID-19 we are no longer able to see patients on a walk-in basis. We are able to see patients **by appointment only.**

Repairs

- Please post your hearing aid to us with a note explaining the problem. It is advisable to send your hearing aid by recorded delivery.
- You can make an appointment to have a face-to-face repair appointment with the audiologist – see contact details below.

Batteries and tubing

Please phone or email to request replacement batteries and tubing
