Paper ref: TB (12/20) 019

Sandwell and West Birmingham Hospitals

Report Title	Integ	rated Quality & Performance	- Ren	ort – October 2020	
		Baker, Director of Partners			
		nina Gainer, Head of Perform	· · ·		
		ic Trust Board	nune	Date 3 rd December 2020	
weeting				Date 5 Determiner 2020	
1. Suggested discussion	noi	ts [two or three issues you consider	tha Ba	pard chauld facus and	
				ng towards the high levels seen	
00		n May and 11.9 in June). T	•	0	
•				and any other period in the last	
12 months.	ocic	bel, double the target fate	01 4 0	and any other period in the last	
	ema	ins a significant outlier to lu	ine 2	020 at 136 (150 on weekend).	
•		-		change is made and the impact	
-		mber are 108 compared to		•	
	•	-		WW target, 31 and 62 day targets.	
	• Elective activity ahead of Phase 3 letter but 12.5% behind production plan with RTT at 72%				
and with 482, 52 week breaches. DMO1 performance in MRI, CT and Endoscopy ahead of					
phase 3 letter but behind overall by 22% at 76%. Activity cancellations commenced on 1^{st}					
November, compromising recovery further.					
• Readmissions have drifted up towards 9% (8.7%) over the year. The increase of ~1%					
corresponds with the	incre	ase in readmissions to the	same	specialty which has moved from	
3% to 4.2% in the last	year				
 Stroke indicator arou 	nd a	dmission to ward in 4 hrs	(659	%) slipped in month due to bec	
pressures.					
	-			urgent and 4x 28 day breaches
