

Public Trust Board Action Log: 9th June 2021

		Action	Assigned To	Due Date	Status/Response
1.	TB (05/21) 012	DC to consider help from external sources and to outline an appropriate timetable for an improved trajectory.	DC	July 2021	(06/21) Discussions with external auditors provided ideas that would be fed back through Q&S next month as part of the overall strategy for improving Trust mortality data.
2.	TB (05/21) 019	Present a resourced plan and overall approach for the Q&S action to create the CQC evidence repository, based on an inspection within one or six months.	RB	July 2021	Agenda item
3.	TB (05/21) 019	Invite the CQC inspector to a future Board meeting.	KD	June 2021	(06/21) The inspector couldn't make the June session but hoped to attend in July. Closed.
4.	TB (06/21) 006	Raise West Birmingham's General Practice vaccination approach with the System.	RB	July 2021	Complete – first dose responsibility for Cohort 10 on Wards is now SWBH with Mel Roberts leading
5.	TB (06/21) 006	Ensure that communications reassured the community that non-COVID patients could continue to get safe standard hospital care in the event of another wave.	LK/RW	July 2021	We are continuing with our communication plans using the media, social media and community networks to advise people of the safety measures in place in hospitals and to urge them not to delay seeking medical care.
6.	TB (06/21) 008	Present a succinct summary of the Maternity transformation plan, setting out what they were aiming to achieve and how, with what resources, and what the expected outcomes would be.	HH	July 2021	Agenda item
