

I'm Going To School

Information and advice for parents and carers

Sandwell School Health Nursing

In September your child will move from the care of Health Visitors in to the care of the School Health Nurse team.

During your child's time at school we can offer lots of support and advice with many health issues such as:

- **Bedwetting / Toileting**
- **Head lice**
- **Hygiene**
- **Healthy eating**
- **Emotional well-being**
- **Accident prevention**

All reception children will be routinely weighed and measured as part of the Government's National Child Measurement programme which can lead to support with weight management.

Making a difference

Sandwell School Health Nursing Vision Statement

Sandwell School Health nurses will deliver services that are visible, accessible and confidential regardless of educational provision.

Delivering universal public health and ensuring early help and extra support is available to children and young people at the times when they need it.

If you would like to suggest any amendments or improvements to this leaflet please contact SWB Library Services on ext 3587 or email swbh.library@nhs.net.
