If you have medical problems or problems develop in your pregnancy you may have more visits than this.

Your antenatal appointments

Information and advice for mums-to-be

Maternity

will have Down's Syndrome, includes Edwards Syndrome or Patau Syndrome. Your midwife can give you more information about this.

If you do not receive an appointment letter please call the antenatal appointments hub on 0121 507 4387.

Symptoms to report

If you are **6 – 15 weeks pregnant** and experience any of the symptoms below, please go to **your GP or nearest Emergency Department (ED)**.

If you are **16 – 42 weeks pregnant** and experience any of the symptoms below:

- Abdominal (tummy) pains
- Bleeding from your vagina
- Your waters break
- Severe headache
- Blurred vision
- Itching that isn't getting better, especially on your hands and feet.
- Your baby isn't moving as much or you notice a change to baby's usual pattern of movements (once you start feeling your baby move).
